COMMITTED TO REDUCING MOTHER/NEWBORN MORTALITY IN UGANDA

HIGHLIGHTS FROM 2019

We have final approval to open from Uganda Ministry of Health!

October's mission team ready to tackle so many projects. Solomon, Mike and Mike rewired the whole hospital, staff housing including upgraded outlets and light fixtures. No more worries about fires. (we've had 2) Joanne made us beautiful window curtains!

We are so blessed to have Dr. Jones Haguma working with us at H4A.

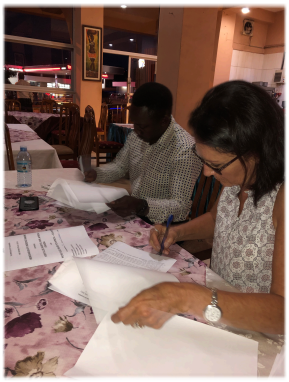

Thank you Dr. Patrick Kabbale for donating the 2 acres that our staff housing is located on to H4A. Survey and Land title done!

The generator is up and running.

A new building going up at outpatient for a covered waiting area, blood draw room, "snack shack" reception and cashier.

Signed memorandum of understanding with Dr. Kabbale concerning the future of H4A Uganda, with Sherill as President.

A wonderful time of fellowship with the lovely women from Calvary Chapel Naluko women's group. Talked about everything from childbirth to marital relationships.

So much more has taken place in 2019! Just can't get it all on one page. Outpatient scheduled to open beginning of January 2020 and Naluko Women's Hospital scheduled to open February 2020. Could you please remember us when you are considering your year end donations.

"And the King will say, 'I tell you the truth, when you did it to one of the least of these my brothers and sisters, you were doing it to me!'

Meeting with the Ugandan H4A board. They were very supportive and happy to know we will be opening very soon.

THANK YOU to all who have come alongside me with prayer, love, and support. You are such an important part of this vision and it is because of you that lives will be changed forever.

In His Love,

Sherill
